SEOS HIGHLY COMMENDED IN CORPORATE EXPORTER OF THE YEAR CATEGORY

Last night, at a ceremony at The Royal Lancaster Hotel, London, SEOS was highly commended in the Corporate Exporter of the Year (£5-25 million turnover) category in the International Business Awards.

This event, run by Trade Partners UK in association with Export Times, is part of a unique government initiative celebrating, recognising and rewarding excellence amongst UK exporters.

The awards were open to established exporters, new exporters and individuals. A panel of independent judges included city fund managers, business leaders and representatives from the press, who judged the entries on export growth, profit and market coverage.

David Lewis, Market Development Manager, SEOS was at the gala dinner. He said, "The standard of all the finalists was exceptional. I am extremely proud of SEOS' achievement and this reinforces our commitment to the export market".

ABOUT SEOS

SEOS is a leading global supplier of display and immersive solutions for simulation and visualization, delivering advanced solutions for the civil and military, training and research, visualization, leisure and entertainment markets.

SEOS has established a worldwide reputation for supplying innovative, high quality, cost-effective display solutions combined with a high level of expertise and exceptional service. A comprehensive range of services and unequalled design system integration capability provide a display solution that is custom designed and built for its application.
